

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

5.1. Conclusions

From the explanations on the previous chapters, the writer concluded that e-booklet can be used as one of media to promote the tourism culinary in Palembang. The e-booklet can also be used by the tourist and visitors to find the information about Tepian Musi Floating Restaurants, because the e-booklet provides information about *Tepian Musi Floating Restaurants, location of Tepian Musi Floating Restaurants, how to get there, history of Tepian Musi Floating Restaurants, also list of restaurants and their food & drink menus*. The e-booklet consist 22 pages and it is delivered bilingually, in Bahasa Indonesia and English.

5.2. Suggestions

Based on the result of designing e-booklet of Tepian Musi Floating Restaurant as one of media to promote tourism culinary in Palembang, the writer would like to give some suggestions as follows:

1. The writer suggests that Department of Culture and Tourism of Palembang City use this e-booklet to promote tourism culinary in Palembang, especially Tepian Musi Floating Restaurants for the tourist.
2. The writer also would like to give suggestion to the students of English Department of State Polytechnic of Sriwijaya to use this e-booklet as the reference to develop their ideas, abilities, and skills to increase the number of tourist to come to Palembang.
