ABSTRACT

DESIGNING A NOVELLA SCRIPT ENTITLED “2000”

(Tanniah Dwi Pratiwi, 2021: 57 Pages)

This final report is aimed to design a novella script entitled “2000”. The purpose of this research is to find out the steps in designing a novella script entitled “2000”. In this final report, the writer used the Research and Development Method modified from Sukmadinata (2005). The writer collected the data by observation and interview as a reference for designing a novella script and as to get information. The novella script was designed by the writer and then given to experts. The result of this research is that the writer made a novella entitled “2000”. The writer has some suggestions. First, the writer expects the readers of this report to use this as one of the sources to continue developing new ideas in writing the final report about designing a novella script. Next, to the readers of novella that could develop their ability, idea, and skill to increase the creativity in making their own product.
