

Dear Chief Editor (Dr. Nor Azwadi Che Sidik)

According from my friend information, we should have already got information about revision of our paper. However, I do not get any information in my email until now, so as co-author I would like to get information from you, Sir.

Would you like to tell me what is the problem with our paper?

The paper ID : EIC20C115

Paper title : Numerical Analylsis of Phenomena Transport of Proton Exchange Membran (PEM) Fuel Cell.

I really want to get good infomation from you, Sir.

Thank you for your help and attention.

Sincerely yours,

Dr. Fatahul Arifin

Dear author,

Thank you for your email. Your manuscript is currently under a copy-editing process. However, you are suggested to review and consider citing the following published articles.

http://www.akademiabaru.com/doc/ARASETV5_N1_P22_31.pdf

http://www.akademiabaru.com/doc/ARMSV59_N1_P14_23.pdf

http://www.akademiabaru.com/doc/ARMSV37_N1_P24_35.pdf

Kindly revise by using the attached formatted manuscript and submit the revision by replying to this email.

Thank you

Best regards
