

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter presents the conclusion and suggestion of this final report.

5.1 Conclusion

This final report was aimed to answer the question of how to write how to write video script about Lengkung Langit 2 as a Tourism Destination in Lampung. The writer concluded that in writing video script about the new tourism destination Lengkung Langit 2 in Lampung.

The writer did the steps to get a good result in writing the script. The writer using process how to make script by hanifa (2013) and combine with AIDA Model of copywriting by Michaelson and Stacks (2011) as the guideline for the script. The first step is formulating Idea, the second step, the writer doing research such as observation and interview. In the third step, the writer writes outlining such as making the first draft, revising, Proofreading, and final draft. In this stage, the writer gave some corrections to the Indonesian subtitle. checks the capitalization and grammatical errors in Indonesian subtitles. After the writer gave some corrections to Indonesian script, the writer translated the script to English script. Then, The expert checks the grammatical error and less precise structures of the sentences. Then, the writer revised some mistakes based on the expert's comment, suggestion, and correction. After revising the script of Lengkung Langit 2 was successful. This script will be shown with Indonesian subtitles and English as voice over in the video of Lengkung Langit 2. As a result, the writer applied the revised script to the video about Lengkung Langit 2, English script as voice over and Indonesian script as subtitle of the video. Then, the writer will show it to the examiners in the English Department and upload the video to social media especially YouTube.

5.2 Suggestions

The writer suggested this video script can be used as an information medium about Lengkung Langit 2 as a tourist destination in Lampung to attract tourists to visit the city because tourist destinations are an asset to this city. This report can also be developed by other writers of state Polytechnic of Sriwijaya especially in the English department.
