

CHAPTER V

CONCLUSION AND SUGGESTION

5.1 Conclusion

Kampung Gelam had the potency as tourism destination in Palembang. In Kamung Gelam there are some attractions, accesibility, public facilities, and tourist facilities that supported Kampung Gelam as a tourism destination. But for accesibility there is not to good road to go to Kampung Gelam. Kampung Gelam had fullfiled for being a tourism destination that covered attraction, accesibility, public facilities, and tourist facilities. And kampung Gelam is not a public tourism destination, it is a private place. It is a book system. Those aspects are interelated each other, so it could be concluded that Kampung Gelam had potency as a new tourism destination in Palembang.

5.2 Suggestion

The writer gave suggestion in order to make Kampung Gelam more potential as a tourism destination as follows: Staff of Kampung Gelam must repair the road in Kampung Gelam, and it is necesseary to carry out the promotions so that Kampung Gelam can be widely known.
