

CHAPTER V

CONCLUSION AND SUGGESTION

5.1 Conclusion

Suffix is letter or group of letters added to the end of a word to change its meaning and suffix also changes the part of speech in the sentence. One word has some forms if it is added by suffix, for example punish(v) can be punisher (n) or punishable(adj) and every change of word also changes the grammatical structure. The writer concludes that there are 527 suffixes found in Don't Go Jonggi novel. The 527 suffixes divided into 11 Derivational beginning suffixes consist of *-full, -ion, -ing, -ance, -ness* , 6 Derivational intermediate to advance suffix consist of *ous, -ance, -ence, -ic and -ism*, 274 verb suffixes are *-ed, -ing, -s/-es* 21 adjective suffixes are *-al, -er/-ier, -full, -less, -ish, -ous, -y*, 47 adverb suffixes are : *-ly*, and *-way* and 169 noun suffixes consist of : *-hood, -age, -al, -er, -ish, -s/-es, -ness, -th, and -ment*.

5.2 Suggestion

The writer would like to give suggestion for readers especially the students of English department about suffix that they should study more about kinds of suffix in daily activity and use oxford dictionary as reference in order to learn the word and they should practice it in daily activity both spoken and written.
