ABSTRACT

THE IMPORTANCE OF INTERNET IN GRAMMAR LEARNING PROCESS FOR ENGLISH DEPARTMENT STUDENTS AT STATE POLYTECHNIC OF SRIWIJAYA

(Tedy Jasera, 2014, 32 pages, 5 tables)

The main problem of this report is about “what is the importance of internet in grammar learning process for English Department students at State Polytechnic of Sriwijaya”. The purpose of this study is to find out the important role of internet in supporting grammar learning process of English Department Students. The writer used quantitative method and the subject of research was students at English Department. The writer collected data by doing observation and questionnaire. Then, the writer analyzed and made the percentage of benefits of internet using in Grammar learning. Based on the findings, there are some reasons of students sometimes did not understood and comprehend about grammar material that is delivered by a lecturer at the class. The questionnaires results show if internet has become one of the grammar material sources that can be used by students besides grammar book in studying and understanding the grammar.

PREFACE

First of all, the writer would like to praise the gratitude to Allah SWT for giving the outstanding mercy and blessing in order to finish this final report on time. This final report is written to fulfill the requirement for Diploma III education accomplishment at English Department State Polytechnic of Sriwijaya with the title “The Importance of Internet in Grammar Learning Process for English Department Students at State Polytechnic of Sriwijaya”.

The writer recognizes that this final report is still far from being perfect because of limitation of knowledge, time, or even source. Therefore, comments and suggestion from the readers are needed so that this final report gets better. The writer hopefully expects that this final report can be useful to give contribution ,and to enrich the knowledge about “The Importance of Internet in Grammar Learning Process”.
