Metaphorical code switchings more dominant were used by the host because they did not change the topic frequently when communicate with participants. Related to the reason, the hosts used expression of solidarity. It was because the hosts wanted to respect to the foreigners and audiences when they did not understand.

#### **5.2 SUGGESTION**

The use of code switching in the video of Gaul Bareng Bule on Trans TV related to the public is very useful. The purposed of code switching was to help the audience understand the meaning better of the utterance conveyed. The presenter should be aware that the use of code switching was very risky because the overuse of code switching will deteriorate their language. Besides that, the researcher wants to the next researcher to make another analysis about code switching in larger population. In addition, it is suggested for the next researcher to use other corpus such as, film, novel or song as the data source. It is also suggested for bilinguals to use code switching effectively as language alternation.
