

## **CHAPTER FIVE**

### **CONCLUSION AND SUGGESTIONS**

#### **3.2 CONCLUSION**

Based on the data analysis in chapter four, the writer concluded that the effort that have been conducted by the government in developing Monpera as one of the historical tourism based on the four factors. First, security factor in Monpera like the staff have a duty to safeguard the Monpera 24 hours and there is a checkpoint for the staff, the staff provide sinformation that related to the condition and safety in the Monpera area for tourists. Second, infrastructure factors such as good roads and paved, can be achieved with various types of public transport, toilets, bins placed in every place in Monpera, several places of rest, library, information center, large parking area and souvenirs. Third, tourism object factor in Monpera can be seen from the shape of the building like the meaning of Monpera building, the histories about Indonesia before and after independence, historical collections such as photo illustrations about the struggle of heroes from Indonesia, Photos collection of Indonesian heroes, heroes clothes, bronze statue of heroes, the currency used in Indonesia, and the weapons that use indonesian heroes to against the Dutch. The last, service quality factor in Monpera that given by the staff as a tour guide. The services that provided by the tour guide started from the tourists enter the Monpera until tourists out, the tour guide also provide an explanation of the overall Monpera with accurate information.

#### **5.2. SUGGESTION**

After analyzing and finding out the effort that have been conducted by the government in developing in Monpera, The writer would like to give some suggestion

1. For the writer: the writer should take care of developing Monpera. And also the writer should support the government in developing Monpera. The way is make a good promotion to introduce Monpera for the people in

other cities. The simple way of the promotion is from mouth to mouth. It is mean that the writer tell about the Monpera for the other people directly. It can make the people know well about Monpera. Because of that, the writer should improve her knowledge. it can help her to give the correct information for the other people. The last, give the attention in security and keep the fasilities in Monpera.

2. For the Government: should improve their responsibility in developing Monpera as tourism object in Palembang and should pay more attention to security Monpera, complete the infrastructure and maintain for the infrastructure, held an attraction/event about the history or culture of Palembang, recruit more professional tour guides with good ability and knowledge in order to work more optimal in Monpera and upgrade their skill, especially about the information of the real story of Sriwijaya kingdom and Palembang.
3. For Visitor: The visitor should keep the fasilities in Monpera. The visitor should not take anything in Monpera especially for the collection in Monpera. and also the visitor have to keep the cleanliness in Monpera area like do not throw the trash anywhere, do not cross any mark in Monpera wall and clean the toilet after use it. And the last, the visitor have to keep the Monpera in security aspects like do not distrub the other visitor. It is can attract the visitor if they support the developing Monpera.
