ABSTRACT

THE WEAKNESSES OF OGAN PERMATA INDAH LAKE AS A TOURISM OBJECT IN PALEMBANG

(Ria Rosalina, 2014, 31 pages, 6 pictures)

This study is about the weaknesses of Ogan Permata Indah Lake as a tourism object. The title of this study is The Weaknesses of Ogan Permata Indah Lake as a Tourism Object in Palembang. The aim of this final report is to know the weaknesses of OPI Lake. The research question in this research is what are the weaknesses of OPI Lake as a tourism object. The research method is descriptive, while the data were collected through observation, interview, and documentation. The writer analyzed this research by using some theories from experts related with tourism. The result shows that there are some supporting tourism should be provided there such as the foods, stands, and also public facilities. The writer found that providing the facilities such as toilet and mosque are the crucial priority that should be provided by the government.

Keywords: tourism, public facilities, Palembang traditional foods, and stands.
