ACKNOWLEDGE

All praise and thanks be to Allah subhanahu wa ta'ala for His abundance of love and affection. All forms of praise and thanks for the knowledge that has been given and hopefully it will become useful knowledge and become a step to achieve His pleasure. The author realizes that it is thanks to Allah that he can complete his thesis research with the title “Factor Affecting Accounting Student in Choosing a Career to Take Professional Certification in Management and Science University, Malaysia”. This thesis research proposal is structured to fulfill one of the graduation requirements in obtaining a Bachelor of Accounting degree.

The author would like to thank all parties involved as well as all forms of support and prayers, especially to all family and friends. Thanks to Miss Anis Suhaila as supervisor and DR. Ana Fatimah as a teaching lecturer who is willing to help and guide the writer well so that this thesis research can be carried out smoothly. May Allah subhanahu wa ta'ala provide protection and repay all the good that has been given.

I realize that as a writer who is still in the learning stage, there will always be mistakes and deficiencies in the learning process. Therefore, the authors expect helpful criticism and suggestions so that this thesis research proposal can provide benefits.

Indah Savira
Bachelor in Accounting
Faculty of Business Management and Professional Studies
Management and Science University
