

CHAPTER V

CONCLUSION AND SUGGESTION

5.1 Conclusion

Based on the previous chapters, some conclusions can be made. Development of songket house can be used as one of the tourist attraction that can be visited by tourists. From the analysis of the potentials, the writer can conclude that the establishment of songket house is feasible. Tourists who visit can learn directly how to make songket and tourists also have the potential to weave songket with the facilities and support equipment in the songket house. Then with the display of songket house, tourists can feel the beauty and grandeur of songket motifs.

5.2 Suggestion

After doing this final the writer suggest that the government should further expand the tourist attractions in the city of Palembang of historical value one home songket. Because in addition to providing information to tourists and the public about the history of songket, with the songket house will be as young as successor songket nation could develop in the future, with the hope that the songket as one characteristic of the city of Palembang still growing beautiful modification.
