

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

5.1 Conclusion

Based on the findings, it can be concluded that Pagar Alam city is considered as one of the tourism destinations worth visiting in South Sumatera province. Pagar Alam city has already had the five elements needed for a tourism destination which are the *attractions, facilities, infrastructure, transportations* and *hospitality*, even though the facilities and infrasturcture in Pagar Alam city is still inadequate.

Pagar Alam city is considered as one of the tourism destinations in South Sumatera, because Pagar Alam city is a popular tourism destination in South Sumatera. There are many tourists visited Pagar Alam city and most of the tourists were local tourist. It can be concluded that Pagar Alam as one of tourism destination in South Sumatera can attract many tourists from different country or region because of the attraction, facilities, infrastructure and transportations are completed.

5.2 Suggestion

Based on the discussions, since Pagar Alam city as a tourism destination in South Sumatera, therefore in order to attract more tourists that visit Pagar alam city, the writer suggests are follows :

1. Tourism and culture Department of Pagar Alam city should promote Pagar Alam city as a tourism destination for domestic and foreign tourists.
2. The local citizens should keep and maintain the cleanliness of the tourism objects, facilities and infrastructure in Pagar Alam city.

-
-
3. The local people and government of Pagar Alam city should cooperate to complete the weaknesses of tourism destinations elements and preserve them.
