ABSTRACT

The Potency of Embun Waterfall as a Tourism Destination in Pagar Alam

(Sari Ramadhan, 2015, 24 pages, 7 pictures)

The title of the final report is the Potency of Embun Waterfall as a Tourism Destination in Pagar Alam. The purpose of this final report is to investigate whether Embun Waterfall is potential as the tourism destination in Pagar Alam or not. The data was collected by using observation. Based on the result of the observation, Embun Waterfall has not potency to be a tourism destination. It is caused Embun Waterfall has not fulfilled five elements of tourism like attraction, facilities, transportation, hospitality industries, and infrastructure. Embun Waterfall is a nature tourism that is still natural and has a unique attraction. This tourism object is near hospitalities industries like besemah villa, seganti setungguan villa, and others. The writer suggests to Tourism Department that the stairs to Embun Waterfall should be renovated because they were slippery, and Tourism Department should add good facilities such as parking area which has good high security to make the tourists comfortable.

Keyword: Tourism Object, Pagar Alam, Public Facilities.

Motto and Dedication

"Forget about all the reasons why something may not work. You only need to find one good reason why it will."
