Cara Melihat perangkat yang ada di gudang :

1. klik atemis
2. sort item & location
3. klik Lokasi item
4. ketik item id / kode perangkat
5. klik search / enter

Cara mencari kode perangkat / item id barang :

1. klik atemis
2. sort item & location
3. klik katalog item
4. di kolom item desc ketik nama perangkat / barang
5. klik search / enter
