

CHAPTER V

CONCLUSION AND SUGGESTION

5.1 Conclusion

Based on the material delivered by the 10 Indonesian comics in the stand up comedy show. The writer concludes that the comics uses several methods in delivering their introduction of speech. There are five methods that applied by the comics in their speech introduction. The methods are *startle the audience*, *story/tell a story*, *surprising fact*, *Arous the corious of the audience* and *Begin with a quotation*.

The most dominant method of speech introduction applied by the comics is **startle the audience**. There are 4 comics that used this methods, they are Setiawan Eka Rahmanta ST, Panji Pragiwaksosno, Sam Darma Putra Ginting and Sujiwo Tejo. The most rare methods applied by the comics are **Arous the corious of the audience** and **Begin with a quotation**. The comic that used the method of Arous the Corious of the audience is Lies Hartanto and the comic that used the method of Begin with quotation is Insan Nur Akbar.

5.2 Suggestion

The writer suggests the students especially for the students of English Department at State Polytechnic of Sriwijaya to use the methods of speech introduction in delivering the speech to increase their public speaking skills and to make an interesting speech and the audience will be interested in the speech.

Moreover, for public speakers the writer suggests to use more various methods of speech. By applying many kinds of methods of speech introduction the speech would not be monotonous because they only apply the same method in delivering speech.
