ABSTRACT

THE FACILITIES OF MUSEUM OF MONPERA SUMBAGSEL

(Ika Yuli Rahayu, 28 pages, 18 pictures, 1 table, 2016)

The purpose of this research is to find out the facilities in the Museum of *Monpera Sumbagsel*. The method used in this research is descriptive method because the writer analyzed the data descriptively. The writer used theories by several experts including Sutarga, Yoeti, and Tjahjopurnomo, et.al. The data are collected through observation, documentation, and interview. There are three steps to analyze the data, they are: data collection, data reduction, data display, and data conclusion. The data were described and made analysis. The result indicates that the Monpera Sumbagsel museum has not complete the facilities of museum by the experts' theories, it does not provide parking area, signpost, toilets, etc and the photos collection is not arranged based on sequence of the story. Finally, the writer concludes that the museum of Monpera Sumbagsel has not complete the facilities which are should provided by the museum.
