MOTTO AND DEDICATION

The looks can fade and do not define you

The chance of luck is slim, once in a blue moon

People may come and go, may help and hurt

But among all those things

Persistence is something you can be friend and rely on

Because it pays off at the end of the day

Dedicated to

My family

My friends

English Department, State Polytechnic of Sriwijaya

All of people who have supported me this far

ACKNOWLEDGMENT

Assalamu'alaikum Wr. Wb

First of all, the writer would like to express gratitude toward Allah

SWTfor giving a chance to finish this final report. During writing this final report,

the writer got any assistances, contribution, suggestion, advice, and support from

many people. On this opportunity, the writer also would like to dedicate

appreciation for everyone who has supported in completing this final report. The

writer would like thank to:

1. Dr. Ing. Ahmad Taqwa, M.Tas the director of State Polytechnic of

Sriwijaya

PREFACE

First of all, the writer would like to perform the gratitude to Allah S.W.T for the mercy that has been given to the writer so that the writer could finish the final report with the title Google Translate Errors in the Indonesian-English Translation of Tourism Articles. This final report is to fulfill the requirements to complete the study at English Department in State Polytechnic of Sriwijaya.

The writer realizes that the report is not perfect but the writer tried her best to write this report. The writer still needs some suggestion and criticism from the advisor. The writer also hope this report will be useful in the future.

Palembang, July 2016

The writer

ABSTRACT

Google Translate Errors in the Indonesian-English Translation of Tourism Articles

(Nanda Rizky Amelia, 2016, 56 pages, 1 chart)

This final report discusses about Google Translate Errors in the Indonesian-English Translation of Tourism Articles. The main purposes of this final report are to identify the types of Google Translate errors exist in the Indonesian-English translation of tourism article and toknow the most and least Google Translate errors in the Indonesian-English translation of tourism articles. The method of research is quantitative method. The samples are 19 tourism articles of South Sumatra province from www.dipardass.go.id. The writer marked and corrected the errors in the tourism articles translated by Google Translate. Then the writer presented a chart and determined the most and least common translation errors found on the translations by calculating the errors and percentages with the formula in chapter 3. The most language error is language errors in syntax. This type of error appears 124 times or 53 % in 19 translated tourism article samples and the least language error is language errors in morphology. This type of error appears 5 times or 2 % in 19 translated tourism articles samples.

Keywords: translation, errors, tourism
