

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter presents about the conclusion and suggestion of the final report.

5.1 Conclusion

The writer can draw the conclusion that *Museum Negeri Sumatera Selatan* has much information such as Opening hours, the Price of ticket, The Statues, Inscriptions, The Buddhist relics, Weapons Sultanate of Palembang, VOC Pistol, The Dutch Colonial Currency, The Currency in Period of Japanese Occupation, The Currency of the Period Physical Revolution of Independence, The Five Days and Five Nights War, The Traditional Industry of South Sumatera or Handicraft, Cloth, Scarves, etc.

In designing Booklet of *Museum Negeri Sumatera Selatan*, the writer used modified Research and Development method. There are three steps of Research and development used by the writer to get the good result of designing booklet: (1). Preliminary study: a. Literature study, b. Field survey, and c. Draft of product. (2). Development Product: a. Limited trial and b. Wider trial. (3). Test: a. Pre test, b. Revision and c. Post test.

In literature study, the writer read the literature study about designing booklet and *Museum Negeri Sumatera Selatan*. Based on observation or field survey done, the writer found that there was no booklet in all museums in Palembang so that the writer decided to design a booklet of *Museum Negeri Sumatera Selatan* because it has only guidebook entitled *Buku Panduan Museum Negeri Sumatera Selatan* written by Saragih, Warsita, and Deliningtias published by Tourism Office and Culture South Sumatera Province (2015) in Indonesian language.

5.2 Suggestion

Based on the result of designing booklet of *Museum Negeri Sumatera Selatan* that has been done, the writer suggests some suggestions as follow:

1. The writer suggests the government to spread more booklets to increase tourist visit *Museum Negeri Sumatera Selatan*. It is strongly recommended that in Sultan Mahmud Badaruddin II Airport, booklets of *Museum Negeri Sumatera Selatan* should be available as the location of *Museum Negeri Sumatera Selatan* is near from Sultan Mahmud badaruddin II airport. It is strongly expected that the tourists will visit to the *Museum Negeri Sumatera Selatan* when getting information from booklets.
2. For further research better booklet should be made for another museum in Palembang because there is no booklet in all museums in Palembang such as Sriwijaya museum, Sultan Mahmud Badaruddin II museum, Al – Qur'an Al – Akbar museum, A.K Gani museum, etc.
