

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

5.1 Conclusion

Based on the findings on chapter four, the writer concludes that *Puyang Gunung Ibul* has a potency as tourism destination in Prabumulih. *Puyang Gunung Ibul* has already had five elements needed for a tourism destination which are **attraction, facilities, infrastructure, transportations** and **hospitality**, even though the facilities and infrastructure in *Puyang Gunung Ibul* is still inadequate. First, As tourism destination, *Puyang Gunung Ibul* has attractions. Those are *Sedekah Puyang*. Secondly, The facilities is available in *Puyang gunung ibul* are toilet, mushola and souvenir shop. Third, the road infrastructure towards *Puyang gunung ibul* is very smooth. It has been asphalt. Fourth, The accessibility to *Puyang Gunung Ibul* is passed by private car and also public transportation. Because the location easy to reach and *Puyang Gunung Ibul* is located in the middle city. And the last, *Puyang Gunung Ibul* is located near hotel. So the visitors can easy to find the place for take a rest.

Based on the findings on chapter four, the writer concludes that *Petilasan Temenggung Telapak Besak Pincang Jarang* has no a potency as tourism destination in Prabumulih. *Petilasan Temenggung Telapak Besak Pincang Jarang* has not had five elements complete needed for a tourism destination which are **attraction, facilities, infrastructure, transportations** and **hospitality**. There are some problems faced in developing *Petilasan Temenggung Telapak Besak Pincang Jarang* as tourism destination in Prabumulih. First, as tourism destination *Petilasan Temenggung Telapak Besak Pincang Jarang* does not have an attraction, both natural attraction or scenery attraction, healthy center and human made. Secondly, *Petilasan Temenggung Telapak Besak Pincang Jarang* does not have standard facilities such as ; sanitation, health, security, communication, entertainment venues. transport (road alternative, asphalt and footpaths), transport (public transport, taxis and bicycle rickshaws, etc. (supermarket, park, public

toilets). Third, *Petilasan Temenggung Telapak Besak Pincang Jarang* is not complicated with smooth asphalt, the system of water, source of electricity, the communication network, system sewerage, health service and the street. Fourth, *Petilasan Temenggung Telapak Besak Pincang Jarang* is hard to find and the visitors must use private car to visit *Petilasan Temenggung Telapak Besak Pincang Jarang*. Fifth, near *Petilasan temenggung telapak besak pincang jarang* does not have a complete hospitality industry.

The government should complete and increase the standard of facilities both *Puyang Gunung Ibul* and *Petilasan Temenggung Telapak Besak Pincang Jarang*. Although the government especially in POKP (*Pemuda Olahraga Kebudayaan Pariwisata*) should renovate and provide what the tourist needs especially in five elements, build a worship around the both *Puyang Gunung Ibul* and *Petilasan Temenggung Telapak Besak Pincang Jarang* and it is easily reachable.

5.2 Suggestions

The writer give some suggestions to the government especially in POKP (*Pemuda Olahraga Kebudayaan Pariwisata*) to promote *Puyang Gunung Ibul* and *Petilasan Temenggung Telapak Besak Pincang Jarang* in Prabumulih. The government should improve and provide attraction, facilities, infrastructure, transportations and hospitality industry in *Puyang Gunung Ibul* and *Petilasan Temenggung Telapak Besak Pincang Jarang*. In addition, the government should make changes for the years ahead because if government support the development of *Puyang Gunung Ibul* and *Petilasan Temenggung Telapak Besak Pincang Jarang* as tourism destination so Prabumulih has much advantages such as local revenue. And the local people and government of Prabumulih should cooperate to complete the weaknesses of tourism destinations elements and preserve them.
