

## **CHAPTER V**

### **CONCLUSION AND SUGGESTION**

This chapter presents the conclusion and suggestion of this final report.

#### **5.1 Conclusion**

From the explanation on the previous chapter, the writer can conclude that recipe book can be used as a reference of making Palembang's traditional Cakes. Traditional cake is also called Nusantara Cake. This recipe book consists of the information such as the name of cakes, the ingredients, the steps and the way to serve it. The writer already showed the design of recipe book. The design was revised three times based on experts' suggestions. First, the writer designed the draft of recipe book, they were names of Palembang's traditional cakes, the ingredients of the cakes, and the steps of making cake. In this final report, the writer used R&D method developed by Sukmadinata (2004). That is why there are three revisions. For the limited trial, the writer had interview with Mr. Amin as staff at Tourism Department of Palembang City. The second respondent is Mrs. Tika as english teacher. And for the last respondent is Mr. Sakam as expert of design. The final product include 10 pieces of paper with 20 pages.

#### **5.2 Suggestion**

Based on the result of designing a recipe book of Palembang's traditional cakes that has been done, the writer expect that Tourism Department wiil provide this recipe book because it will be able become a good reference for tourist make Palembang's traditional cakes. The writer also suggests for students of English Department to develop their idea, ability and skill to increase tourists come to Palembang.
