

## Narration

- a. Hallo guys, today my friends and I would like to go to Lahat. Now, we are in railways station of Palembang, Kertapati.
- b. Guys, you can buy the ticket in Alfamart or Indomaret, or in the locket of station directly. You can also book it online. Actually, I buy the tickets in the alfamart.
- c. If you want to check in your boarding pass, you should follow the direction on the boarding pass machine. Don't forget to keep your ticket or boarding pass guys. The staff will check it in the gate and on the train. You should prepare your identity card and boarding pass to be checked by them.
- d. Check your platform and your seat on the ticket or boarding pass. Don't mess up with other seat, you might be wrong.
- e. On the train there are some facilities such toilet, air conditioner, charger, electric socket, food, beverage, and pillow.
- f. We arrive in Lahat at 13.30 o'clock. We are picked uncle up by motorcycle. In Lahat, we stay in my family's house.
- g. Lahat is one of regions in South Sumatera. It is about 249 Km from Palembang and it can be reached at about 6 hour from Palembang.
- h. The next day, we prepare to travel to Bidadari waterfall by motorcycle in the morning. This trip about 30 minutes.
- i. We were accompanied by the local guide, Vidya and friends.
- j. After we arrive in Karang Dalam village, we park our motorcycle and continue to walk to Bidadari waterfall. We pass the villager house, coffee garden, and forest. We spent about 45 minutes from Karang Dalam village.
- k. This waterfall also called *Ayek Asam* waterfall. This waterfall is the highest waterfall in the flow of the Asam River, its height is about 30 meters and its top width is about 10 meters and its lower width is about 15 meters.
- l. Unfortunately, this time is in the dry season so the water is not swift. Actually there should be three showers in this waterfall flow. But now there is only one showers of waterfall flow because of dry season.
- m. You can enjoy the beauty of this waterfall in there. You can bathe and play water as much, but you should always be careful and keep clean.
- n. If you cannot keep it, do not spoil it.

## BEHIND THE SCENE
