

## CHAPTER V

### CONCLUSION AND SUGGESTION

#### 5.1 Conclusion

Based on the explanation on the previous chapter, the writer can conclude that the scrapbook can be used to promote Indonesia folklores more interestingly especially a folklore from South Sumatera Province, the Love Story of Tan Bun Ann and Siti Fatimah, because the scrapbook consists of pictures.

In designing this scrapbook of the love story Tan Bun Ann and Siti Fatimah, the writer used modified Research and Development method. There are three steps Research and development used by the writer to get the good result of designing the scrapbook: **1. Preliminary study:** a. *Literature study*, b. *Field survey*, and c. *Draft of Product*. **2. Development Product:** a. *Limited testing* and b. *Large testing*. **3. Testing:** a. *Pretesting*, b. *Last revision*, and c. *Final product*.

In literature study the writer found the information about tools and material of making scrapbook, techniques of making scrapbook, and the elements of scrapbook. Based on *field survey* the writer found that the love story of Tan Bun Ann and Siti Fatimah has been ever made in storybook. To make the story famous, it really needs the innovative way, and it must be interestingly packaged. In collecting data, the writer made draft of product included designing the scrapbook which contains the love story of Tan Bun Ann and Siti Fatimah. After making draft of the product, the writer asked some experts to develop the product and did the *limited testing*, *large testing*, and *final testing*. In designing this scrapbook, the creativity of the writer is needed because it can determine whether or not the scrapbook interesting to read and it can effect to the reader's interest to the scrapbook.

## **5.2 Suggestion**

Based on the result of designing scrapbook of the love story of Tan Bun Ann and Siti Fatimah that has been done, the writer expected that the Tourism Office of Palembang would provide a scrapbook of love story of Tan Bun Ann and Siti Fatimah because it can increase the interest of tourists and visitors to come to Palembang city from its folklores.

For the students of English Department, the writer suggests to develop their brilliant ideas to promote and to introduce the Indonesia folklores especially folklores from South Sumatera Province to be exist in this modern era.
