## **2.1 Booklet**

Booklet is one of communication medium that rely on high technology, provides efficiency in the process so, booklet can be an alternative in this instant era, Zainuddin (2009) “*Booklet merupakan salah satu media komunikasi yang mengandalkan teknologi tinggi, memberikan efisiensi dalam prosesnya sehingga, booklet bisa menjadi alternatif di era instant.*”. Hanggara and friends (2012) “*Booklet adalah media komunikasi massa yang bertujuan untuk menyampaikan pesan yang bersifat promosi, anjuran, larangan-larangan kepada khalayak massa dan berbentuk cetakan.*” state that booklet as a mass communication medium that aims to deliver messages like promotion, advice, prohibitions to the mass, and the goal is to make the object understand and keep the message contained in the booklet.

While, according to Yudita (2013) “*Booklet adalah media komunikasi massa yang memiliki tujuan untuk menyampaikan pesan promosi, saran dan larangan kepada masyarakat.*” booklet is a mass communication medium which has a purpose to deliver promotional messages, suggestions and prohibitions to community.

From the definitions, the writer concluded that booklet is a simple mass communication medium that the purpose is to give information to people about a product or service.

### **2.2.1 Booklet Design**

Nasirullah (2012) “*booklet adalah salah satu produk desain grafis yang dikategorikan sebagai media cetak*” defines a booklet as one of graphic design products which are categorized as printed media. As a printed media that used to promoting or advertising a product or service, booklet need an interesting look, in this case the design of booklet is important.

According to Arsyad (1996) “*Media berbasis cetak mengacu pada enam elemen yang perlu diperhatikan pada saat merancang, yaitu konsistensi, format,*

*organisasi, daya tarik dan ukuran huruf.”* there are six elements of printed-based design that must be considered. They are consistency, format, organization, attractiveness, font size and space.

a. Consistency

Try to be consistent in page, font, space, title, line, main text, and margin.

The inconsistency will assume the bad and untidy design.

b. Format

Use one column for long paragraphs and two columns for short paragraphs. Do not forget to separate the paragraph which have different main idea of the text.

c. Organization

Organize the text as good as possible to make the readers get the information easily. Use grid box form to separate each part of the text.

d. Attractiveness

Introduce each part in different way to make the readers corious, so they read on the information more.

e. Font size

Choose a suitable font size based on the readers, messages, and target environment. Good font size for text (text book or hand book) is 12 points.

Avoid capital letters because it makes difficult in reading process.

f. Space

Use the space to add some contrasts. It is important to provide the reader's concerntation. This space could be: the space around title, margin, column, space, opening paragraph space, line space and paragraph space. All these spaces aimed to improve the readers' readability.

Ronald (1994) describe those booklet as printed media also have several limitations:

- a. It takes long time to print booklets, because they depend on the message and printer.
- b. It is difficult to show motions to attract reader's attention.
- c. They could reduce the desire of reader if they contain too much information.
- d. They need a good care, because they are broken and lost easily.

Benefits of booklet

According to Hadi (2009)

*Biayanya lebih murah daripada media audio atau visual karena booklet menggunakan media cetak, proses pengirimannya bisa dilakukan kapan saja, proses pengirimannya bisa disesuaikan dengan kondisi keluar dan booklet menyediakan informasi secara rinci.*

booklet have some benefits, they are:

- a. The cost is cheaper than audio or visual medium since booklet uses printed medium. The making of visual medium is more expensive than booklet.
