

CHAPTER V

CONCLUSION AND SUGGESTION

5.1 Conclusion

Based on the explanation on the previous chapter, the writer can conclude that this booklet can be used to promote Palembang traditional carving furniture. It can also be a guidance for tourists and visitors to find information of Palembang traditional carving furniture because the booklet consists of the information about the kinds of furniture, the price list, the address of central industry and the pictures of them.

Based on pervious chapter, the writer has done the booklet with the help of 3 experts. The first expert gives suggestion to put the price and writer's profile, the second expert gives suggestion to move the writing into more closer to inside of booklet and the last expert gives correction of grammar errors.

Based on the field survey, the writer found that there was no booklet about Palembang traditional carving furniture in Palembang city whereas it needed to be promoted. In designing this booklet, the creativity of the writer is needed because it can determine whether the booklet can be interesting to read and it can effect to the reader's interest to the booklet.

5.2 Suggestion

Based on the result of designing booklet of Palembang traditional carving furniture that has been done, the writer expected that the tourism and cultural office would provide a booklet of Palembang traditional carving furniture because it can give information to visitors who visit Palembang city. The booklet can be put in the airport, the museum, and the hotel. So the tourist will know that Palembang has its traditional carving furniture that will not be found in other city.

For students of English Department, the writer suggests to develop their idea in designing booklet about Palembang because it has a lot of tourism potential in Palembang. And also improve the booklet of Palembang traditional carving furniture more detail.
