

CHAPTER V

CONCLUSION AND SUGGESTION

5.1 Conclusion

Storybook is a book that contains a story refers for children there are many storybook in the bookstores, but not every storybook has a good content like no moral value and negative impact for the children as the reader. Storybook is media for the perents to introduce about some story for their children and some children will applied the story in their life.

“The Origin of Perahu Bidaie Race” is the attractive storybook for children. The packaging of storybook was good from character, the content and positif impact for their life. Then, the storybook’s characteristic is different from other storybooks whose content or story told about robot or popular characters for children.

5.2 Suggestion

The writer expected the children to read to storybook cointaining about legend. It is known in Indonesia there are so many legends that the content is much better that modern storybooks. Palembang also has some legend there are moral value massages that the children are more respectful to the histories and tourism from Indonesia especially South Sumatera.
