

## **CHAPTER V**

### **CONCLUSION AND SUGGESTION**

This chapter explains about the conclusion and suggestion of the final report.

#### **5.1 Conclusion**

The short story entitled “Palembang Brought Me to You” can be used as a medium to promote some tourism destinations in Palembang. In writing the short story, the writer used Research and Development (R&D) method. There are three steps: preliminary study and model development. The writer did not do the final product testing and dissemination because of the lack of fund, time, legality, and skill. In the process of writing the short story, some knowledge, skill, and people’s opinion were needed. First, the information and knowledge about tourism destinations in Palembang were used for writing the short story. Second, English writing skill was needed to write the story as well. Third, the software including Microsoft Word application and Adobe Photoshop were used to write the short story and to design the short story cover. For developing the model draft, the writer requested some comments and suggestion from the experts to improve the short story. Finally, the writer made the final product of the “Palembang Brought Me to You” short story to be one of many ways that can be used to promote some tourism destinations in Palembang.

#### **5.2 Suggestion**

The writer expects the future researchers to make more stories about tourism destinations in their own cities, because it will help the government to promote tourism so that it can increase the country income. Furthermore, the writer expects the government to make an effort to encourage the society to write more. The writer also expects the future researchers to use the dissemination step in order to make products better.
