

CHAPTER V

CONCLUSION AND SUGGESTION

5.1 Conclusion

Tanjung Kelayang beach has the potency to be tourism destination in Belitung because it has fulfilled five essential elements of tourism-**attraction, facilities, infrastructure, transportation, and hospitality**. The attractions in Tanjung Kelayang beach are the giant granit stones and the blue clean water with the waves that are quite safe for swimming. The Infrastructure in Tanjung Kelayang beach is the road which is in good condition. The big hall, for art performances and other activities. For the hospitality industry, there are hotels such as Santika hotel and Lor In Villa, restaurants such as Lemadang Seafood and grill restaurant and Batu Garuda restaurant, and souvenir shops such as Tanjung Kelayang souvenir shop. In Tanjung Kelayang beach there are facilities to be supporting elements such as a parking lot, toilets, and garbage boxes. To go to this place, visitors also can take rental transportation and private transportation.

5.2 Suggestion

The writer gives some suggestion as follows:

1. The Tourism Department as the management of Tanjung Kelayang beach must add security system (CCTV) in Tanjung Kelayang beach to monitor the situation in this beach.
2. The facilities of Tanjung Kelayang Beach are needed to add like the ATM, public transportation service and garbage boxes which can make the tourist enjoy when they do the tourism activity there.
3. The management should hold any other events that can attract people to come such as Belitung Festival, Tanjung Kelayang festival, and etc.
