

CHAPTER V

CONCLUSION AND SUGGESTION

5.1 Conclusion

Booklet is one of the media that is used to give complete information to the people who read the booklet. The booklet about pineapple food products from Prabumulih is designed for the tourists. The information contains in the booklet such as the name of the products, the history of the food products, the picture of the products, the price of the products, and also the address of the shop to make the tourists easier to find the shop.

The booklet consists of 18 pages. The writer used *CorelDraw X4* as the editing software. The information in this booklet is delivered in English and Indonesian. The writer wants to share information about pineapple food products from Prabumulih by designing this booklet. In designing this booklet, the writer used the creativity to interest the readers and used supportive information so the readers could enhance their knowledge by reading this booklet.

5.2 Suggestion

Based on the result of designing booklet of pineapple food products from Prabumulih that has been done, the writer expects that the central gift shop in Prabumulih should be more active in promoting the pineapple food products, especially using the booklet that is designed by the writer. So, the products could be more popular and sold well in the next day.
