

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter presents the conclusion of designing video of *Jumputan Pelangi* as culture heritage and suggestion.

5.1 Conclusion

The writer concludes that video can be used as a medium to promote and inform *jumputan pelangi* because video is considered more interesting, it combines image, sounds and also effects. The video consists of the information about *jumputan pelangi* such as the motifs of *jumputan pelangi*, the process of making *jumputan pelangi*, and the various products of *jumputan pelangi*. In this case, the writer made the video from the initial idea and revised by the experts. Therefore, the final video can be used as a medium to promote *jumputan pelangi*.

5.2 Suggestion

Based on the conclusion above, the writer would like to give suggestion for English Department students should develop their idea, ability, and skill to be a great development in designing video. The writer hopes to the readers of this report to make this report as one of references that they could be used in develop their own research especially about designing video.
