

## **BAB V**

### **CONCLUSION AND SUGGESTION**

This chapter presents the conclusion and suggestion of this final report.

#### **5.1 Conclusion**

Based on the explanation on the previous chapter, it can be concluded that by watching the short film, viewers not only enjoy the story but also know some of culinary in Palembang. Viewers also can get the lessons from the story and also have some informations about the places, the foods, the situations of the people's activities of culinary tourism in Palembang trough short film. In making short film also have some of elements that involve. In designing this short film, the writer used Research and Development method by Sukmadinata (preliminary study, model development, and final product). The information about this short film are obtained by observation to the place directly and interview some expert of film and linguistics. The writer design this short film with Wondershare Filmora aplication. After the model has made, the writer met the some experts of linguistics and film editor to get suggestion or comment from them to this product. Based on the expert,this film can be as one of media to promote culinary tourism in Palembang.

#### **5.2 Suggestion**

The writer has some suggestions to the film makers in Palembang. In making film, they have to make the new innovation not too monotonous in choosing the story that will be filming. The writer suggests that film makers can be increase the story from the tourism in Palembang especially in culinary side. Because there are still many tourism culinary in Palembang that has not promoted.
