

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter presents the conclusion of creating documentary video to inform wayang kulit Palembang and also suggestion for the usage of video to promote traditional arts in Palembang.

5.1 Conclusion

From the explanation of the previous chapters, the writer has drawn some conclusion. The video in this final project is documentary video to inform or promote wayang kulit Palembang. This video contains complete information about history and culture to make the viewers interested to know and learn wayang kulit. Nowadays, video has already become media to inform or promote traditional arts, because its function not only display something but it also can share information in the form of knowledge or reports as promotion media. Moreover, video can be used to promote culture that rarely touched by the citizen and also tourist, especially in Palembang.

This video follows 3 steps as the procedures for completing the project, they are Pre-Production, Production, and Post-Production. It was done by the writer to fulfill the right process for creating the video. The video is used as a promotion medium of wayang kulit Palembang to attract and increase the number of tourists to come to Palembang.

5.2 Suggestion

From the explanation above, the writer suggests students of English Department State Polytechnic of Sriwijaya to learn the way to create documentary video, so they will be able to know how to make the documentary video in the form of video. Moreover, it does not only promote wayang kulit Palembang but also other traditional arts in Palembang.
