PREFACE

First of all the writer would like to thank to Allah SWT and Prophet of Muhammad SAW for the mercy that has been given to the writer so that the writer could finish the final report eventually, this report is written to fulfill the requirement of final report at State Polytechnic of Sriwijaya Palembang entitled "Designing Short Story Book Entitled "A Cup of Story" Through *Wattpad*".

The writer would also like to thank all people who had helped finishing this report because without their helps, motivation, and advices, this report would not be finished. Therefore, any suggestions and critics always welcome. The writer also expects that this report along with the product could give advantages for the readers.

Palembang, July 2018

The Writer

ABSTRACT

Designing A Short Story Book Entitled "A Cup of Story" Through *Wattpad*

(Ade Novia Vebrianni, 2018: 64 Pages, 2 Charts, 35 Pictures, 10 Tables)

The purpose of the research is to design a short story book entitled "A Cup of Story" that would be published in *wattpad*. The writer used research and development method modified by Sukmadinata, the writer collected the data by doing observation, small-scale survey, and interview. In limited testing, the result showed that the book should be revised. The experts give the comments that there were some confusing setting and also plot in story contents and also some mistakes in the language used so that it must be fixed. In wider testing, the book can be accepted.
