

## **CHAPTER V**

### **CONCLUSSION AND SUGGESTION**

This chapter presents the conclusion and suggetion of the research

#### **5.1 Conclusion**

From the explanation in the previous chapters, the writer concludes that bulletin can be used as the guide book. Bulletin that contains complete information abut some object and the daily routine event in Al-Munawar village. It can be guiedance for people to do activities when they come to tourism destinations.

#### **5.2 Suggestion**

At last, the writer gave some suggestion that the reader can get the information about Al-Munawar village from the bulletin.

1. For Cultural Department in Palembang. Can use this bulletin to promote Al-Munawar village and hopefully the government will publish bulletin every month about various tourism in Palembang.
2. The reader can participate in preserving the culture, especially culture and uniqueness that contains in Al-Munawar village.
