Sriwijaya</h2>

```

```
<p style="font-size: 14px;">
```

Politeknik Negeri Sriwijaya dahulunya bernama Politeknik Universitas Sriwijaya (UNSRI) secara resmi dibuka 20 September 1982 . Fase pertama hanya memiliki 2 jurusan yaitu Teknik Sipil dan Teknik Mesin .

Pada fase kedua tahun 1987 Politeknik memperluas bidang keteknikan dengan membuka Jurusan Teknik Elektro, Teknik Elektronika, Teknik Telekomunikasi dan Teknik Kimia Industri dan melahirkan bidang Tata Niaga Jurusan/Program Studi Akuntansi Kesekretariatan telah dimulai tahun akademik 1986.

Dengan bertambahnya jumlah mahasiswa demi untuk menunjang kelancaran kegiatan belajar mengajar dikarenakan cukup banyak mahasiswa yang mengalami sakit pada saat jam belajar mengajar maupun kecelakaan kerja di bengkel dan Laboratorium saat jam praktikum maka Direktur Politeknik UNSRI pada saat itu Prof. DR. Machmud Hasyim memandang perlu adanya unit Pelaksana Teknis di bidang layanan kesehatan , maka pada tahun 1987

dibentuklah Poliklinik yang diberi nama Poliklinik Politeknik UNSRI .

Periode 1987-1998
