ABSTRACT

The Study of Phrases in The Novel '*The Boy In The Striped Pyjamas*' by John Boyne

(Inggit Dwi Anggraini, 2018 : 42 pages, 6 tables)

This final report studies about the types of phrases found in the novel *The Boy In The Striped Pyjamas* by John Boyne seen from the formation of the phrase. The purpose of this research is to find out the types of phrases can be found in the novel and which type is mostly found. In this research, the writer used descriptive qualitative method. This method was used in order to collect, classify, and describe the types of phrases found in the novel *The Boy In The Striped Pyjamas*. The technique for collecting the data is documentation. The technique for analyzing the data were done through three steps: Identifying, Classifying, and Making percentage. The data got after reading the novel are 9 types of phrase, they are: 4334 verb phrases, 2135 prepositional phrases, 1355 noun phrases, 457 infinitive phrases, 429 participle phrases, 323 adjective phrases, 80 absolute phrases, 35 gerund phrases, and 19 adverb phrases. In conclusion, there are 9 types of phrases found in the novel *The Boy In The Striped Pyjamas*, and the type that mostly found in the novel is verb phrase. The next researchers are suggested to conduct a test for English Department students by giving them the same novel that the researchers use and let them elicit the phrases in the novel and classify the type of the phrases. It is intended that the next researchers will get the data of English Department students' knowledge about phrases and the data will be beneficial for the grammar lecturers in teaching about phrases.

Keywords: Types of Phrases, Novel.

PREFACE

First of all, I would like to thanks to Allah SWT for His blessing and mercy that has been given to me, so that I could finish this final report. This final report is written as one of requirements to finish Diploma Three at English Department Sriwijaya State Polytechnic which entitled “The Study of Phrases in The Novel *The Boy In The Striped Pyjamas* by John Boyne”. This final report gives information about the types of phrases in English, especially the types of phrases that found in the novel. After knowing the types of phrases, the readers can apply the knowledge in the real practice to increase the sensibility of the types of phrases used.

I realize that this final report still has many insufficiencies and it is still away from being perfect. This is because of the financial, time, experience, knowledge and ability limitation that I have as the writer. Therefore, I expect the readers can give suggestion and critics for this final report.

Finally, I expect this final report can give advantages and be usefull for the reader, especially for the students of English Department.

Palembang, July 2018

The Writer

ACKNOWLEDGMENT

First of all, the writer would like to say thanks to Allah SWT that has given me mercy and blessing to finish this final report. Next, the writer would like to say thanks to every single person who has given many contribution to finish this final report. I want to say thanks to :
