

CHAPTER V

CONCLUSION AND SUGGESTION

5.1 Conclusion

Taman Embung Senja has potency as a new tourism destination. The potencies are the Embung that already gain attention from visitors and sightseeing panorama of sunset in Taman Embung Senja. Then, attraction such as fishing, take some photos, riding a duck boat and playing swing. Taman Embung Senja that also have public facilities like parking area, toilets, canteen, praying area, trash bin, and library. Taman Embung Senja also provides good accessibility and infrastructure toward destination to make visitors easy to get to the location, approach by riding private transportation. Provide basic infrastructure like road make well impact access road to reach the destination easily and also there are one lodging and restaurants near the location which can support tourism. Although there are problems like the condition road when heading Taman Embung Senja, so far the local government already launch road repairs to facilitate access to Taman Embung Senja to make the visitors more easily for come to this destination.

5.2 Suggestion

Based on the result of The Potency Taman Embung Senja as New Tourism Destination in Musi Banyuasin, the writer would like to give some suggestion as follows:

1. For the Local Government that can accelerate the construction of roads leading to Taman Embung Senja because the faster the road construction is carried out, the easier it is for visitors to come to Taman Embung Senja.
2. For the management of Taman Embung Senja that can develop Taman Embung Senja by increasing the number of fleets from duck boat so that the visitors who come do not wait for long time, add some seating for visitors and also can add some attractions that visitors can do while on Taman Embung Senja.

3. For the management of Taman Embung Senja can pay more attention to the cleanliness of Taman Embung Senja by adding more trash bins so that visitors can dispose of their trash in its place.
4. For the management of Taman Embung Senja that to increase the security in there either in the parking area or in the various spot of attractions to make the visitors feel more secure when they do the tour.
