

## **CHAPTER V**

### **CONCLUSION AND SUGGESTION**

This chapter explains about the conclusion and suggestion of the final report.

#### **5.1. Conclusion**

There are five steps of writing “Love in Palembang” short story. The first step is reading some books and journals about short story and tourism destination and also reading some famous story books. The second step is doing observation some tourism destinations. They are Benteng Kuto Besak, Jembatan Ampera, Lorong Basah Night Culinary, Sudirman Walk, and Kampung Al-Munawar Village. The third step is writing a draft of short story. The fourth step is doing limited testing and wider testing. In limited testing, there are two experts. The experts give correction about the language and content of story. In wider testing, the revised model draft is checked by two experts. The experts give correction about the language and content of story. After the second draft is revised, the writer give to the target of the product. They are five random people who are like read a story book with age ranges between 17-21 years old. The last step is considering the revision of wider testing as the final product.

#### **5.2. Suggestion**

Based on the research of writing a short story entitled “Love in Palembang” to promote tourism destinations in Palembang that has been done, the writer would like to give some suggestions as follows:

1. The future researchers can use the last step of methodology of Research and Development by Sukmadinata (2005) which are product testing and dissemination in order to make the product better.
2. The future researchers can make more short stories about tourism destinations in their own cities because it will help the government to promote tourism so that it can increase the country income.

3. The government can make an effort to encourage the society to write more.
