

CHAPTER V

CONCLUSION AND SUGGESTION

5.1. Conclusion

For this final report the writer concludes that *Kambang Iwak* has the potency to be one of culinary tourism destination in Palembang. In the *Kambang Iwak*, there are some nature scenery attractions. The Beautiful Natural Scenery can be one of the potentials of the *Kambang Iwak* as a culinary tourism destination because many tourists enjoy their food by sitting under a cool shade tree while looking at the view of Lake *Kambang Iwak*. For the amenities, *Kambang Iwak* has Swarna Dwipa Hotel, Souvenir Shop, Café such as Lenggok and Gunz Café, and the last is food stands that sell various types of food ranging from Palembang's specialty foods, archipelago foods, until foods that are currently trending. Public facilities that can be found in *Kambang Iwak* are a mosque, a health clinic, drinking water tap, and trash box. The *Kambang Iwak* is a city park, therefore *Kambang Iwak* is under the control of the city government of Palembang. To reach the *Kambang Iwak* there are 3 alternative ways, 1) direct way use city transportation, 2) use Bus, and 3) by using private vehicle. The *Kambang Iwak* has fulfilled five requirements for being a culinary tourism destination that cover attraction, accessibility, amenities, ancillary, and public facilities. Those five aspects are interrelated each other and it makes the *Kambang Iwak* is potential as a culinary tourism destination in Palembang.

5.2 Suggestion

Based on the result of observation and interview that have been made, the writer gives some suggestions to government that make the *Kambang Iwak* more potential as a culinary tourism destination as follows:

1. Food stalls arrangement should be improved so that it looks neater and multiply chairs and tables for tourists to enjoy the food.
2. Parking lots must be specially prepared so that they are more neatly arranged and maintained

3. More facilities should be added like Toilet.
4. It would be better if held a night world for culinary
