

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

5.1 Conclusion

The writer concludes that the Films content can be used as the YouTube Content. The final product of this report are three horror short films titled “The Empty Seat”, “Playing Victim”, and “Prank”. The final products made after several revisions based on suggestions from the experts. By making horror short films as Youtube content, the writer’s goal is to acknowledge readers about how to design horror short film as a Youtube content. It also could enliven horror short films in Indonesia to be the most popular genre of short films on Youtube. The Films also can be the entertain and to inspire for viewers who watch about Short Horror Films, because the content that provided the information about locations, effect and sound that must be having in the Horror Films.

In designing short horror film scripts, the writer did the steps of writing a content of the films modified by (Sukmadinata, 2005): Preliminary Study, Model Development, and Final Product. The writer also wrote the content of the booklet based on the elements of the script there are Formulating Data, Doing Research, Writing Outline, Writing Synopsis and Finalizing the Script. In the testing step, the script of the films were printed and given to the experts to get the comments and suggestions. After getting the comments and suggestions, the writer did the revision based on the instructions from the experts and made the final product. In the final product, the writer added some effect about the filters, the sound, and the subtitle.

5.2 Suggestion

Through the final product that has been written, the writer would like to give several suggestions to the readers. First,for linguistics experts are to give the

knowledge more detail about the way to write a good script. Second, for short film makers in Palembang, in making film, they have to make the new innovation not too monotonous in choosing the story that will be filming. The writer suggests that film makers can increase the story about Horror, because horror is the one of favorite genre in society.
