PREFACE

First of all, the writer would like to convey his gratitude to Allah SWT for the outstanding mercy given to the writer so that the writer could accomplish and finish the final report. This final report was written to fulfill the requirement of final report subject at State Polytechnic of Sriwijaya entitled “**Designing a Short Film Script *Mie and Me***”.

The writer would also like to thank to Dr. Welly Ardiansyah, S.S.,M.Pd and A. Leofaragusta K K, S.E., M.MPar as the best advisors and all the people who had helped finishing this report because without their helps, motivation and concealing, this report will not be finished.

The writer considers that there are still some mistakes in writing this report, they were caused by the limitation in experience, ability and knowledge that the writer had. There for, the writer expect the readers would give suggestion and criticism for the final report progress. Finally the writer expects that final report will give advantages and usefulness especially for the student.

Palembang, July 2020

The Writer

ABSTRACT
DESIGNING A SHORT FILM SCRIPT *MIE AND ME*

(Hendrik Wiyono, 2020: 89 pages)

The title of this final report is Designing a short film script “Mie and Me” to introduce the boarding boys’ life. The purpose of this final report is to find out the steps in design a short film script as a medium to give the foreign language lesson by watching films. The English version aims to inform international viewers while the Bahasa Indonesia version is for local people. The data were collected by using interview and observation. in this writing the writer used Research and Development method. The result shows that designing short film can be as one of media to learn foreign languages that are easy to understand. After conducting some revisions to the product from expert, the product was disseminated through YouTube. Lastly, the writer concluded that designing a short film script can be as one of media to learn foreign languages that are easy to understand.

Keywords: (Designing, a short film, script, medium)
