### **CONCLUSION AND SUGGESTION**

This chapter discusses about conclusion and suggestion

#### **5.1 Conclusion**

From the explanation in the previous chapters, the writer concludes that there are three steps in writing a video script of Rumah Limas. The steps written by D.V Swain and J.R Swain (1988) are in line with Research and Development by Sukmadinata (2005). The first step is Preliminary Study can cooperate with the idea of development script by D.V Swain and J.R Swain. The ideas are an idea, Theme, Research, Outline, Synopsis, Treatment and Manuscript. The second step is Model development conducted with Review.

The writer did limited testing to make product developed. There were three aspects tasted by three experts in limited testing. The aspects were about the content, linguistics, and script writing. After that, the writer did wider testing. The writer asked the comments and suggestions from four experts about content, linguistics, script writing, and video design. The last step is Final product testing connected with finalization. This is the last stage of research and development modification steps, it is consisting of pre-testing, revision and dissemination. Pre-testing is the last revising steps from the wider testing. While dissemination is the writer tries to promote the product to society. Unfortunately, the writer will not do the pre-testing, revision and dissemination steps because of the lack of cost, time, skill and legality.

#### **5.2 Suggestion**

There are three suggestions in this final report. The writer suggest. First, next Researchers should apply the development scripts based on expert opinion. Researcher should understand starting from the basic understanding until the steps of making it, so the process will be easier. The second, for regarding to the limitation in publishing this

video in two languages, it is expected in the future that this video will be published in other international languages like mandarin, Arabic, French or Spain. So, the other foreigners who speak in those languages but cannot understand English will be able to watch it.

The third, for the community around the destination, they must keep and spread the tourist destination to make the tourist comfort when they come to that place.
