

## **CHAPTER V**

### **CONCLUSION AND SUGGESTION**

#### **5.1. Conclusion**

Based on the research and discussion of the findings presented previously, it can be concluded that making a comic book can be developed as promotion appliance. Comic book with picture increases the reading interest. Because it contains not only the story line but also shows the illustration images that can make the reader enjoy reading the book. The comic book entitled Pindang (Pipin and Dadang) Explored Religion Tourism in Palembang. This comic book described about two religion tourism destination in Palembang, Al Quran Al Akbar and Cheng Ho Mosque. It is hope this comic book can promote tourism destination especially religion tourism destination in Palembang. This Comic book consists of 24 pages and the dialogs are in English.

#### **5.2. Suggestion**

Based on the result of this final report. The writer would like to give suggestion to the Cultural Department of South Sumatera to pay attention on comic book as one of promotion media that needs to be developed, so that the promotion of the religion tourism destinations in Palembang more update. And the writer hopes, the next researchers can design comic book about more religion tourism destinations in Palembang.
