

CHAPTER V

CONCLUSION AND SUGGESTION

5.1 Conclusion

In designing the booklet, the writer must have some knowledge and skills, the writer needs knowledge about Palembang's traditional food made of fish to write some valid information on the booklet. Then the writer needs the writing skills, grammar knowledge and vocabulary in English in describing the information about the recipe in the booklet. When a message is relayed with good grammar, it is easier to understand the purpose and meaning of that message. Proper grammar keeps you from being misunderstood while expressing your thoughts and ideas.

The writer also needs skills in designing booklets to make it interesting by using one of the design applications, such as Microsoft Publisher. The writer needs to pay attention to the various elements in order to make a booklet interesting such as consistency, format, organization, font size, and empty space.

5.2 Suggestion

There are suggestions for the next researcher. The next researcher is expected to use the dissemination step in order to introduce the product to people. Second, the next researcher is also expected to find more information about Palembang's traditional food made of fish.
